Assembly Instructions

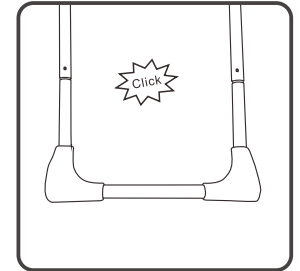

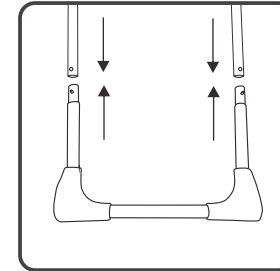

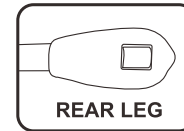

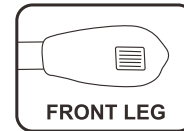

Parts List

1. Seat and upper frame assembly
2. Feeding tray with inset
3. Armrests x 2
4. Front legs (with stoppers)
5. Rear legs (with wheels)
6. Leg rest
7. Foot rest

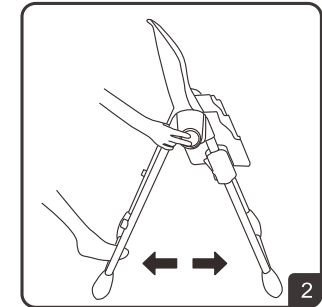

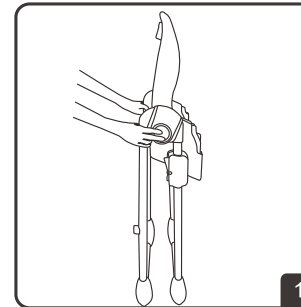

1. To assemble the legs

Connect the legs to the upper frame assembly by slotting them together, ensuring the push pins have come through holes. Note: Pay particular attention that the legs that have the wheels on the bottom are connected to the rear upper frame.

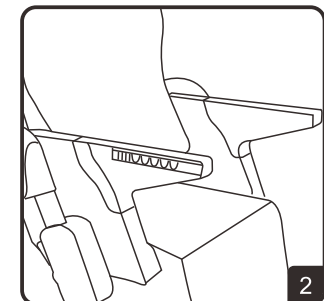

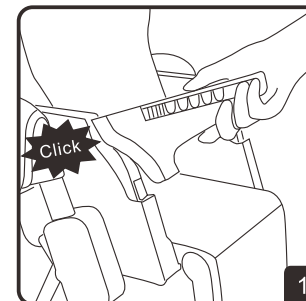

2. To unfold the highchair

Press both of the buttons on each side and with your foot on the rear legs, pull backwards until the frame locks in place. **WARNING!** When unfolding the highchair always check to ensure legs are fully open and the lock is engaged before use.

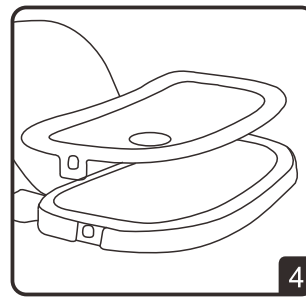

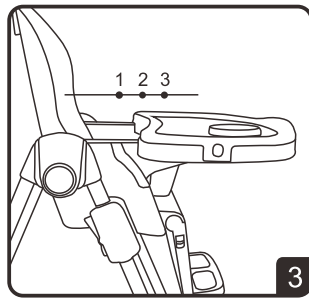

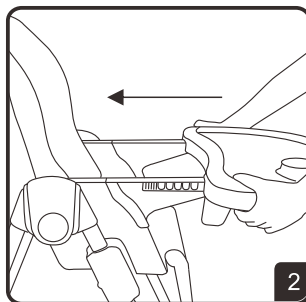

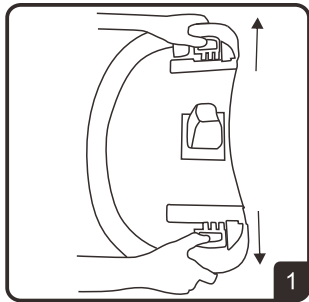

3. To attach the armrest

Attach the armrests to the main seat frame by sliding them in a downwards motion until they click in place.

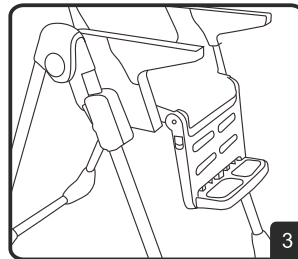

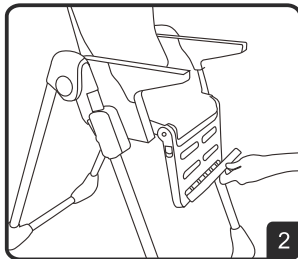

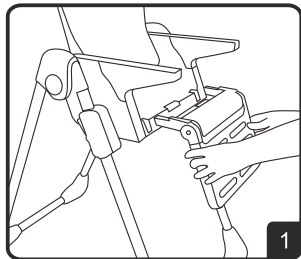

4. Tray adjustment

Slide the catches under the tray outwards and slot the armrest into the grooves in the tray. You can select three different tray positions by releasing the catches and adjusting the tray as necessary. The inset tray clips on and off by releasing the clips on the sides.

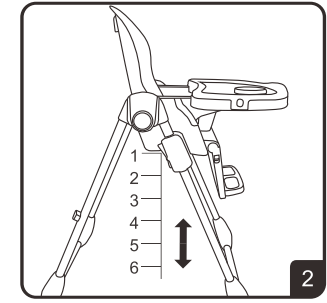

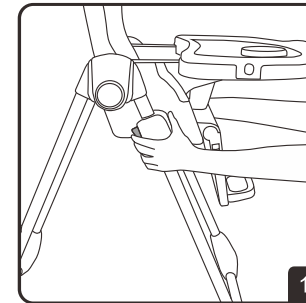

5. To attach the leg rest and foot rest

Insert the ends of the leg rest into the corresponding holes at the front of the seat and push in firmly. Attach the foot rest into the leg rest in one of the two available positions and push down firmly.

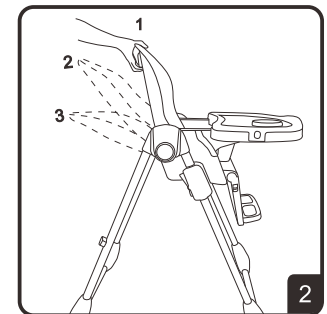

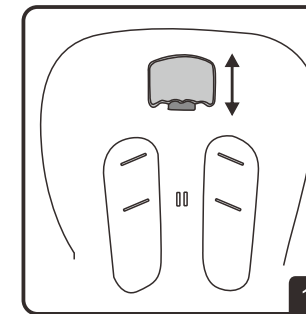

6. Height adjustment

Squeeze the triggers on the height adjustment mechanism and raise or lower the seat to the desired position. **WARNING!** Do not adjust the seat height when the child is in the highchair.

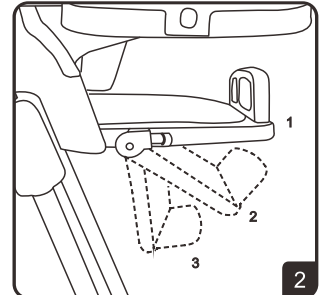

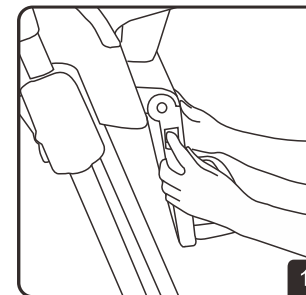

7. Back rest adjustment

Press the button at the back of the backrest, 3 positions can be adjusted.

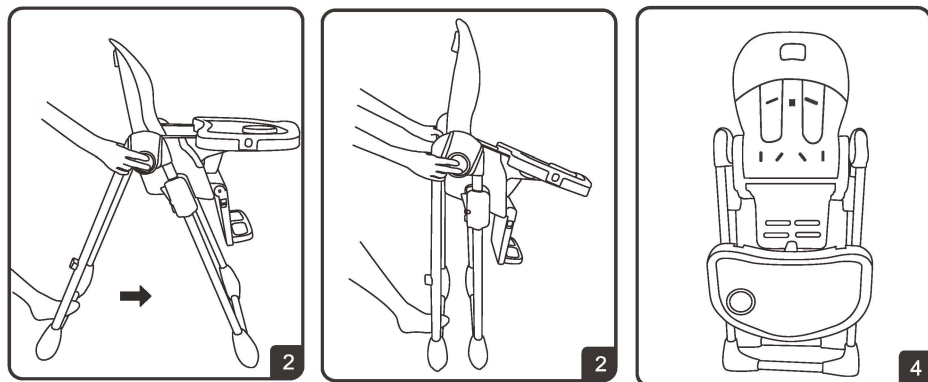

8. Leg rest adjustment

Pull down the catches on each side of the leg rest and select the desired position.

9. To fold the highchair

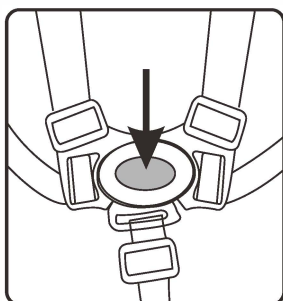

Press both of the buttons on each side and with your foot on the rear legs, push forward until the frame closes. You can remove the tray and place it on the pegs at the back of the chair for storage purposes.

10. To secure and adjust the harness

To release the harness, press the central button A and push them together to connect the harness until it clicks in place. Use the sliders on the harness straps to achieve a secure and snug fit.

WARNING! Always adjust the harness to fit your child correctly for their comfort and safety. A loose fitting harness can be very dangerous.

General care:

The correct use and maintenance of this high chair is essential.

Always ensure the high chair is stored in a dry place to prevent mould or mildew developing. Avoid leaving your high chair in direct sunlight for prolonged periods of time as this may cause premature fading of colours.

Cleaning:

Metal parts may be cleaned with a damp cloth and wiped dry with a soft cloth.

Clean the harness with a mild soap and water solution. Rinse and wipe dry.

Clean plastic parts with a mild soap and water solution. Rinse and wipe dry.

Do not use abrasive cleaners or bleach.

The tray is not dishwasher safe.

Maintenance:

Check that nothing is broken, torn or missing and that no sharp edges have been exposed. Stop using the high chair immediately if any are found. Inspect all studs, nuts and screws for tightness.

Check that all straps and harness attachment points are in good working order.

Do not use replacement parts other than those approved by the manufacturer or distributor.

Failure to do this may invalidate your warranty.

Tested to BS EN 14988:2017+A2:2024 and the relevant parts of BS EN 12790 : 2009
