## Minimum chair dimensions

**WARNING** Use only a full size adult chair with a back. Never use the booster seat on an unstable chair or on a stool or on a bench.

## General care:

- The correct use and maintenance of this booster seat is essential.
- Always ensure the booster seat is stored in a dry place to prevent mould or mildew developing.
- Avoid leaving your booster seat in direct sunlight for prolonged periods of time as this may cause premature fading of colours.
- Position the adult chair with the chair mounted seat placed in a position where the child is not able to use its feet to push against the table or any other structure as this can cause the adult chair supporting the chair mounted seat to tip over.

## Cleaning:

- Wipe with a damp cloth. Air dry. Do not immerse in water.

## Maintenance:

- Check that nothing is broken, torn or missing and that no sharp edges have been exposed. Stop using the booster seat immediately if any are found.
  - Check that all straps and harness attachment points are in good working order.
- Always use the restraint system and the chair attachment system.
- Always check the security and the stability of the chair mounted seat before use.
  - Do not use replacement parts other than those approved by the manufacturer or distributor.
- Failure to do this may invalidate your warranty.
